Pope John Paul II

Meet the Pope Who Captivated the World

In an Emmy-nominated performance by John Voight, the papacy of John Paul II comes to life. Celebrate Saint John Paul II's feast day October 22nd by following Karol Wojtyla's journey from his youth in Poland through the late days of his papacy as he touched millions, changed the face of the Church and the world, and defended the dignity of mankind.

"He was truly an inspiring Pope, a blessing to us all. He was so courageous and full of love and life. I enjoyed the movie of his life!"
