Introducing a wonderful year-long journey through the Bible...

The Bible Timeline: The Story of Salvation

by Jeff Cavins, Tim Gray, and Sarah Christmyer

This is the foundational study in *The Great Adventure Bible Study Series* that has helped hundreds of thousands of Catholics learn to read the Bible.

The Bible Timeline is a fascinating study that takes

participants on a journey through the entire Bible. They will go deep into each period of salvation history and discover the amazing story woven throughout all of Scripture. Using a unique color-coded system, they will learn the major people, places, and events of the Bible and see how they all come together to reveal the remarkable story of our faith. *The Bible Timeline* has been granted the *Imprimatur*.

Central to The Great Adventure is *The Bible Timeline* Chart: a simple, color-coded timeline of Bible history. It divides the entire timeline into 12 color-coded periods and then focuses on 14 books that tell the story in chronological order.

Key people and events that advance the story are highlighted so that the newcomer isn't overwhelmed with too much at once. The Bible Timeline Chart and Bookmark show at a glance where every book of the Bible fits into the overall narrative context.

A 24-Part Study in three 8-week sessions coming to our parishes beginning the first Sunday in October!
